Employee of the Month
Elizabeth Paredez
Lead Receptionist / HR Assistant

It is a great honor to have been chosen as Employee of the month here at DG Therapy Group. Thank you for the privilege and the amazing new opportunities that I have been given.

I was born in Whittier, CA 1993, I moved around a lot as a child and teenager, fun fact I've lived in 3 different state (CA , AZ and WA), 4 different cities, went to 3 different middle school, and 4 different high schools. I know that's a lot, but I wouldn't change it for anything in the world- I learned so much and saw some many new places. (No, I wasn't an "army brat") My family just never stayed in one place long, we love to travel. We finally laid roots down in Fresno, CA. Where I went to college and got my Associates in Paralegal studies. When I was 21, I finally moved out from my dad house 🏠 and came back to down to sunny SoCal.

3 years later (2017) I gave birth to the love of my life, my baby boy 👶 Enoch Josiah Custodio. He is the reason I get up every day and work to be the best I can be, to show him you can do anything and everything you put your mind to. Love this little boy I was blessed with.

COVID -19 Updates

Let continue to wash our hands as it is the best and most effective way to help fight the spread of COVID-19.

"A flawed plan executed with ferocity and certainty is far greater than the perfect plan executed too late and with timidity."

***** DG has noticed Elizabeth going above and beyond her duties. She is organized and takes initiative to solve problems. We appreciate all her growth from her time with the team and look forward to the further growth and opportunities she will have.***

Thank you, Elizabeth for working hard to always be the best you can be! **
