## Employee of the Month

### Mirna Borge, SLPA

*“Every home is a university,  
and the parents are the  
teachers.”*

*Thank You Mirna!*

**We appreciate all you  
have contributed over  
the 7 years of being on  
our DG Team!**

My name is Mirna Borge, also known as "Mrs. B".

I was born and raised in Honduras, Central America, and I graduated with a bachelor's degree in accounting.

In my early 20's, I immigrated to the United States of America in search of the American Dream. Here, is where I found the love of my life, my dear husband Mario. I'm a proud mother of 4 children, my stepson Mario Jr., Brandon, Michael and my beautiful daughter Genesis.

Since 1999, I have been active in different roles. First, as a volunteer for AmeriCorps VISTA program, based at Ramona Head Start in the City of Norwalk. Next, I was a member of the School Parent Committee. Then, I worked as a Special Education Para-Professional for Los Angeles County Office of Education and Norwalk - La Mirada School District.

It's been a pleasure and a blessing working at DG Therapy Group for the past 7+ years. During the past 11 years in the field, I have gained a good amount of experience to share what I have learned with parents. Our common goal is their child's welfare! Empowering parents is important to me; teaching them strategies will give them the tools to help their child achieve their goals. I found my dream in my passion!

I'd like to continue working with families and making a difference in their lives, one child at a time!

At DG Therapy Group, we are a team with a purpose: To help each client to achieve their full potential!
